

ABB the manufacturer of distribution boxes

Overview

ABB provides the highest-quality, most versatile, innovative and comprehensive line of metallic, non-metallic, indoor, outdoor, weatherproof, and floor boxes from the Steel City ®, Red Dot ®, Carlon ® and Iberville® brands. Starting from compact boards for energy distribution applications up to floor standing energy supplying switchboards for huge sites of manufacturers or office buildings ABB offers a wide range of wall- and floor-mounted cabinets. The complete offering electrical boxes is engineered and manufactured in. The company was formed in 1988 from the merger of two electrical engineering companies, ASEA of Sweden and Brown, Boveri & Cie (BBC) of Switzerland. Incorporated in Switzerland as ABB Ltd, and headquartered in Zurich, it is dual-listed on the Nasdaq Nordic exchange in Stockholm, Sweden, and the SIX. Boxes and cabinets from ABB are engineered to provide a high degree of protection for housed installation components, catering primarily to the residential market with plywood-based solutions, while also serving specific industrial applications. You also want reliability and cool new features. Here are six brands that are great in 2025: Schneider Electric uses smart technology for better control. DOHO Electric makes designs that save energy. Legrand has stylish. Switchboard by ABB, surface mount, for 16 (2x8) circuit breakers with transparent door.
