

ASEAN Double Ladder Side Cable Tray Manufacturer

AI Overview

Several manufacturers in the ASEAN region and nearby Asia supply double ladder side cable trays, offering customizable solutions for industrial and commercial applications. Key Manufacturers in ASEAN

1. PT Sumber Surya Mandiri (Indonesia) PT Sumber Surya Mandiri specializes in manufacturing cable trays, cable ladders, and other steel products for industrial and commercial use. Their ladder cable trays are designed for heavy-duty applications, providing excellent ventilation, strength, and easy access for large bundles of power and control cables. They serve both local and international clients and adhere to quality standards including SNI and ISO 14001:2015.
2. CTL Asia (Regional Supplier) CTL Asia offers a complete range of cable support systems, including ladder trays in various strengths and lengths (3m or 6m). Materials include steel, hot-dipped galvanized steel, aluminum, stainless steel, epoxy-painted steel, and FRP fiberglass. Their ladder trays are suitable for high-power cable installations and can be customized with different widths and load capacities.
3. Brilltech Engineers Pvt. Ltd (Asia) Although based in India, Brilltech supplies ladder cable trays across Asia. They offer industrial-grade aluminum and galvanized steel ladder trays with customization options for size, dimensions, and material. Their products are widely used in industrial, commercial, and construction sectors.
4. Chinese Manufacturers with ASEAN Export Capabilities Several Chinese suppliers, such as those listed on Made-in-China platforms, provide double ladder side cable trays suitable for ASEAN markets. These include galvanized, aluminum, and stainless steel trays with options for horizontal layouts, heavy-duty load capacity, and fire-resistant coatings. Many offer OEM/ODM services for customized industrial projects.
