

Australian Telecom Tower

Overview

Telstra Tower (also known as Black Mountain Tower and formerly Telecom Tower) is a telecommunications tower and lookout that is situated above the summit of Black Mountain in Australia's capital city of Canberra. It is named after Australia's largest telecommunications company, Telstra. Telstra acknowledges the Ngannawal people. The Australia Telecom Tower Market Report is Segmented by Ownership (Operator-Owned, Independent TowerCo, and More), Installation (Rooftop, Ground-Based), Fuel Type (Renewable-Powered, Grid/Diesel Hybrid), and Tower Type (Monopole, Lattice, Guyed, Stealth/Concealed). Often referred to as a communication tower or wireless communication tower, it forms the backbone of mobile networks, private enterprise systems and. Amplitel & UTS win Best Telco AI Initiative at the 2026 CommsDay Edison Awards. We have more than 8,000 tower sites strategically located across. In short: Telstra and the ACT government have agreed to work together on a plan to refurbish and reopen Canberra's iconic Black Mountain Tower. What's next?

Telstra plans to.
