

Bangladesh Fire-Resistant Cable Tray Brand

AI Overview

Bangladesh offers several reliable manufacturers of fireproof cable trays, including FRP and galvanized steel options, suitable for industrial and commercial applications.

Key Manufacturers and Products

1. A Group (Gazipur, Dhaka District) A Group manufactures a wide range of fire-resistant FRP (Fiber Reinforced Plastic) cable trays, including ladder type, perforated, and covered trays. Their products are corrosion-resistant, available in thicknesses from 3 mm to 6 mm, and widths from 50 mm to 1200 mm, making them suitable for both indoor and outdoor installations.
2. Systech and SEL (Dhaka) These brands specialize in metallic cable trays designed according to NEMA standards. They focus on safety, load-bearing capacity, and site adaptability, offering ladder and perforated trays for industrial and commercial projects.
3. Kiash Electricals Although based in Kolkata, Kiash Electricals supplies hot-dipped galvanized cable trays in Bangladesh. Their trays are highly durable, corrosion-resistant, and ideal for humid or outdoor environments. They are designed to support heavy cable loads and allow proper airflow to reduce heat build-up around cables.
4. Partex Cables Ltd. Partex Cables manufactures fire survival cables and related cable management systems, including trays compatible with fire-resistant installations. They are ISO 9001 certified and provide products tested for quality and reliability, suitable for industrial and commercial setups.

Types of Fireproof Cable Trays Available

- FRP Ladder Cable Tray: Lightweight, corrosion-resistant, and fireproof.
- FRP Perforated Cable Tray: Allows ventilation and heat dissipation.
- FRP Cable Tray with Cover: Provides additional protection against fire and environmental factors.
- Hot-Dipped Galvanized Steel Trays: High corrosion resistance, suitable for outdoor and humid conditions.

Considerations for Selection

Material: FRP for fire resistance and c...
