

Bhutan New Type Distribution Box Manufacturer

AI Overview

Bhutan has several manufacturers and suppliers of new type distribution boxes, including ZBW prefabricated substations and custom sheet metal enclosures. Key Manufacturers and Suppliers:

1. Dongfeng ZBW Type Prefabricated Substations ZBW type prefabricated substations are complete distribution units combining high-voltage switchgear, distribution transformers, low-voltage switchgear, energy metering, and power factor compensation devices in one or multiple boxes. They are suitable for urban buildings, industrial sites, airports, shopping malls, and infrastructure projects. Technical features include transformer capacities from 50 kVA to 1600 kVA, 50Hz rated frequency, IP23D protection, and robust composite material enclosures for heat and radiation resistance.
2. HLC Sheet Metal Factory HLC specializes in custom sheet metal fabrication and CNC manufacturing for electrical enclosures, battery storage cabinets, and distribution boxes. They offer shearing, laser cutting, bending, welding, and stamping services for metals like stainless steel, aluminum, galvanized, and copper. HLC provides fast sampling (1-3 days) and delivery (7 days), with high precision and customizable designs based on drawings or samples. Their products are widely used in electrical, photovoltaic, and industrial applications.
3. Sai Trading Partner (STP) Located in Thimphu, STP is a licensed trading and supply company that deals with a wide range of high-quality electrical and industrial products. While primarily a dealer and reseller, STP collaborates with international manufacturers to supply distribution equipment and enclosures in Bhutan, ensuring timely delivery and adherence to quality standards.
4. Supplier Directories For a broader search, Volza's Bhutan exporters directory lists over 3,000 active companies, including manufacturers of electrical equipment. The directory provides company names, loc...
