

Chinese Electrical Distribution Box Manufacturers

AI Overview

China hosts numerous reputable manufacturers of electrical distribution boxes, including OOHMAGE, DOHO, B&J Electrical, and Wenzhou Xujie, offering a wide range of industrial, commercial, and residential solutions. Leading Manufacturer OOHMAGE is a prominent manufacturer known for high-quality electrical distribution boxes designed for residential, commercial, and industrial applications. Their products feature precision-engineered DC components, ensuring safety, reliability, and efficient power management. OOHMAGE provides both standard and customized solutions, emphasizing operational excellence and compliance with international standards. DOHO Electric specializes in OEM/ODM distribution boxes for industries such as solar energy, wind energy, data centers, communications, and new energy vehicles. They maintain ISO 9001, 14001, and OHSAS 18001 certifications, and their products are tested by UL, CSA, TUV, and CE. DOHO offers both basic and bespoke distribution boxes, supported by a strong R&D team for innovative solutions. Zhejiang B&J Electrical Co., Ltd. has over 20 years of experience producing wall-mounted, floor-standing, stainless steel, and plastic distribution boxes. Their products are CE, RoHS, and IP66 certified, and they serve clients across America, Europe, Asia-Pacific, and the Middle East. B&J emphasizes excellent design, manufacturing, and service, with professional engineering and production capabilities. Wenzhou Xujie Electrical Co., Ltd. manufactures a variety of distribution boxes, including wall-mounted, knockdown, floor-standing, stainless steel, and plastic models. They focus on high reliability, safety, and efficient power management. Xujie also offers customization options for size, color, design, and branding, catering to diverse industrial and commercial needs. Additional Notable Suppliers Other Chinese manuf...
