

# Compatible SFPoE Switches Jamaican Supplier

## AI Overview

You can source compatible SFP PoE switches in Jamaica from suppliers like DIGITAL COMMODITIES and international brands such as YuanLey, including models like the L3 Industrial 8-Port PoE Managed Switch. Local Suppliers DIGITAL COMMODITIES Jamaica offers a range of PoE switches suitable for CCTV, access control, and network deployments. Their inventory includes DSPP PoE switches and other high-quality networking equipment compatible with SFP modules and IEEE 802.3af/at standards, making them suitable for both commercial and industrial applications. International Brands Available in Jamaica YuanLey provides a full range of multi-port PoE switches with IEEE 802.3af/at support, including indoor and outdoor extenders, 30-90W injectors, and managed switches. These switches are compatible with SFP uplinks and are ideal for offices, industrial sites, data centers, and outdoor networks. YuanLey products are known for stable performance, plug-and-play installation, and global warranty coverage. Specific Switch Models The L3 Industrial 8-Port PoE Managed Switch is a robust option available for Jamaican buyers. Key features include: 8 PoE Gigabit downlink ports and 4 10G SFP uplink ports IEEE 802.3af/at support Layer-3 network management with Web, CLI, and SNMP configuration Redundant power supply and wide operating temperature (-40~75°C) ESD protection and relay alarms for power or link failures DIN-rail or wall-mounted installation options VLAN, QoS, IPv6 support, and fast-ring self-healing in 20ms This switch is widely used in security surveillance, network engineering, and industrial networking projects. Recommendations Confirm PoE power requirements (af vs at) and SFP module compatibility before purchase. For industrial or outdoor deployments, consider switches with extended temperature ranges and surge protection. Check with local...
