

Customized cable tray manufacturer in Mexico

AI Overview

Several reputable manufacturers in Mexico offer customized cable trays with international quality standards, technical support, and tailored solutions for industrial and commercial projects.

Leading Manufacturers

1. **Jeetmull Jaichandlall (P) Ltd.** This company provides a wide range of cable trays in various sizes, shapes, and colors, tailored to industry-specific requirements. They operate with modern equipment and advanced technology, ensuring high-quality finishing and durability. Their products are designed to withstand heavy loads and resist wear and tear, making them suitable for diverse applications across sectors in Mexico and globally.
2. **Micro Sheet Crafts** Micro Sheet Crafts specializes in customized cable trays and modular storage solutions. They use high-grade steel and other durable materials, ensuring reliable performance. The company emphasizes client satisfaction with on-time delivery and quality assurance, offering tailored solutions for retail, industrial, and commercial projects.
3. **Cable House** Established in 1983, Cable House manufactures and supplies cable trays along with related products like hose clamps and crimping tools. They provide customized solutions with a focus on durability, sustainable performance, and client-specific requirements. Their expertise allows them to serve both national and international markets.
4. **Basor Electric** Basor Electric offers a comprehensive range of cable tray systems with technical documentation, CAD/DWG files, and BIM 3D models. They provide tools for precise project planning, including material lists and cost estimation, making them ideal for engineering and large-scale infrastructure projects.
5. **Tecnotray** Tecnotray focuses on high-quality cable trays that comply with ASTM and international standards. They provide solutions for industrial and commercial applications, including corrosion-resistant options for mar...
