

East Asia Fiber Optic Cable Winding Machine

AI Overview

East Asia hosts several leading manufacturers of fiber optic cable winding machines, offering automated, high-precision solutions for both indoor and armored cable production. Key Manufacturers and Suppliers:

- Eastmac Machinery Inc. (China)**
Eastmac Machinery has 19 years of experience in cable making machines, including fiber optic cable winding equipment. They emphasize intelligent production design, strict quality control, and fast delivery, making them a reliable choice for manufacturers seeking efficient and safe winding solutions.
- Rosendahl Nextrom (Japan/Global)**
Rosendahl Nextrom provides complete fiber optic cable production solutions, from fiber drawing and coating to ribbon making and cable winding. Their equipment includes high-resolution monitoring systems for real-time quality control, ensuring precise fiber length and minimal scrap. They are known for customized solutions and advanced automation for high-density fiber cables.
- Shenzhen Techtide (China)**
Techtide manufactures the Ftta Armored Fiber Optical Cable Auto-Cutting/Winding Machine, suitable for outdoor and armored cables. Features include: Active tension pay-off units to prevent over-tension; High length accuracy with meter wheel measurement; Adjustable pitch and traversing range; Robust mechanical structure with intelligent controllers. They also provide full production line support, including R&D, operator training, and after-sales service.
- Windak Group (Taiwan/China)**
Windak specializes in coilers, payoffs, take-ups, and rewind lines for fiber optic and other cable types. Their machines are designed for high-speed, precise, and reliable winding, with options for automatic spooling and versatile coiling lines. Windak also offers comprehensive project support, including installation, operator training, and ongoing maintenance.
- Made-in-China Suppliers**
Several C...

Article Content

Winding Machines | Products and Machines by Supertek

The new generation of SW class winders are ideal for rewinding a wide variety of materials such as cable, wire, filament or fiber. The SW class winders can

New Design Semi Cable Spooling Machine Automatic

New Design Semi Cable Spooling Machine Automatic Fiber Optic Winding Machine, Find Details and Price about Spool Winding Machine and Wire Rope Coiling

50-150MM Optical Fiber Cable Binding Machine Semi

Semi automatic wire cable winder binding machine/cable coiling machine/ cable winding and tie machine Model:CLX-30A Place of Origin:ShenZhen,China

Fiber Optic Spooling Machines | Supertek

Supertek's fiber optic spooling machines offer the perfect solution for efficient and precise processing of fiber optic cables. With their unique technology, precise control, and high speed, these machines

Supertek WLT

Rewinding machine for fiber, glass fiber or hollow fiber membranes. Engineered for delicate materials, this machine ensures controlled tension and accurate

Winding Machines | Products and Machines by Supertek

Winding machines with the best winding technology Supertek - the most high precision winding machines for fine wire or optical fiber! Perfect machines for coil

Fiber winding machine

Haven't found the right supplier yet? Let matching verified suppliers find you. Buy Fiber Winding Machine China Direct From Fiber Winding Machine Factories at Alibaba . Help Global Buyers Source

Optical fiber winding machine

High productivity optical fiber winding machine for wholesale, starting from about \$369. Automatic patchcord and strapping machine with PLC control and 5-year warranty. Ideal for distributors and

Automatic Optical Fiber Cable Cutting and Winding

EW-1315 automatic optical fiber cable cutting and winding machine. Handles Ø0.9-7mm single-core, dual-core, ribbon & LSZH cables up to 999M, ±3%

Fully Automatic Fiber Winding Machine | Optical Fiber

NovaLynx fully automatic fiber winding machine is designed for high-speed and precision winding of optical fibers and ultra-fine wires. It provides stable tension

Fiber Winding Machine Manufacturers & Suppliers

fiber winding machine manufacturers/supplier, China fiber winding machine manufacturer & factory list, find best price in Chinese fiber winding machine manufacturers, suppliers, factories, exporters &

Cable Winding and Bundling Machine

The cable winding and rewinding machines are highly customized machines based on customers' requirements. When ordering cable winding machines, we

Asia Pacific Fiber Optic Coil Winding Machine Market Demand

Industry leaders in the Asia Pacific Fiber Optic Coil Winding Machine Market are shaping the competitive landscape through focused strategies and well-defined priorities.

Automatic Fiber Optic Winding Machine

Discover fiber optic winding machines with CE certification, automatic touch screen control, and high-speed precision for efficient cable production.

Cable Winding Machine | Spooling Wire | Cable Coiling

Our equipment ensures efficient, reliable and seamless operation for all your cable winding and unwinding needs. Explore our range of

FIBER OPTIC COIL WINDING

Finally, we are at your disposal in order to meet your expectations and to solve your problems as regards fiber optic coil winding, size and components integration among others. Our automatic

High Speed Rewinding Machines

High-Speed Rewinding Machine For fast and precise rewinding of fiber optic cables or optical fibers, our high-speed rewinding machines offer the ideal solution. With

Semi-Automatic Fiber Optic Cable Coil Winding Machine with Meter ...

Semi-Automatic Fiber Optic Cable Coil Winding Machine with Meter Counter, Find Details and Price about Cable Coil Winding Machine and Fiber Optic Winding Machine from Shanghai Qi Pang

Wiley Online Library

Hier sollte eine Beschreibung angezeigt werden, diese Seite lässt dies jedoch nicht zu.

Cable Production Line Manufacturer, Wire and Cable

Dongguan Wirecan Technology Co., Ltd, are a professional and high-quality optical cable equipment, wire and cable equipments manufacturer in China, we have

Highest Quality Fiber Optic Cable Automatic Cable

Product Description Highest Quality Fiber Optic Cable Automatic Cable rewinding machine Applicable bobbin for take-up: diameter 800-1000mm, size) Winding

Fiber optic coil winding machine

Find out all of the information about the Yangtze Optical Electronic Company Ltd. product: fiber optic coil winding machine OFCW01V2.2. Contact a supplier or the

Ftta Armored (remote) Fiber Optical Cable Auto

Product Description AFN-18C Outdoor/Armoured Fiber Optical Cable Auto-Cutting and Winding Machine Function The machine consists of three separate units,a

Cable Production Line Manufacturer, Wire and Cable

Cable Machine, Optical Cable Machine, Stranding Machine manufacturer / supplier in China, offering FTTH Cable Manufacturing Equipment /Drop Cable Fiber

Winding machines for optical fiber

Find advanced winding machines for optical fiber answers for quick and dependable data flow. Use modern technologies to improve connection for flawless communication.
