

Egyptian Cable Tray Manufacturing

AI Overview

Egypt hosts several reputable cable tray manufacturers, including Rovana Trade, Metaltech, Sigma Tech, NTT Al-Tawakol, and Metal Egypt, offering a wide range of cable management solutions. Leading Manufacturers Rovana Trade specializes in high-quality cable trays and ladders, providing hot-dip galvanized and electrostatic painted solutions for industrial and electrical projects. They focus on customized, durable cable support systems and adhere to ISO 9001 standards, serving clients across Egypt and the Middle East. Metaltech (MT Tray) produces perforated cable trays, cable ladders, cable trunks, tray supports, and accessories. Their products are designed for high load capacity and long-term reliability, suitable for both industrial and commercial electrical projects. Sigma Tech manufactures cable trays, cable trunks, basket trays, and sheet metal solutions. They emphasize precision, durability, and innovative designs for industrial applications, offering installation and maintenance services alongside their products. NTT Al-Tawakol provides customizable cable trays made from high-quality galvanized steel, suitable for construction, telecommunications, and manufacturing sectors. Their solutions focus on durability and corrosion resistance. Metal Egypt, EEE, and Masar are also recognized for producing standard and custom cable management systems, including ladder trays, perforated trays, and solid bottom trays, catering to diverse industrial and commercial needs. Additional Notable Companies El Masrya El Almanyia Company for Metal Forming: Offers cable trays, ducts, ladders, and accessories, along with storage units, using advanced machinery and software for precision. Al-Yathreb Factory: Specializes in metal forming and cable management systems, including solar energy structures and storage systems. Delta Steel Company and Gold Steel: Provide high-quality cable trays and accessories with certified galvanization processes. Kayan Metal: Focuses on laser cutting, welding, and manufacturing metal fittings for vario...
