

Ethiopia AC Distribution Box Design Manufacturer

AI Overview

Leading Ethiopian manufacturers for AC distribution boxes include Alphapower Electrical Technology, Maziv Engineering PLC, Sigma Engineering PLC, and Index Engineering PLC.

Key Manufacturers

- 1. Alphapower Electrical Technology PLC (AET)**
AET specializes in the design and manufacture of electrical distribution and transmission equipment, including high-quality fuse boxes and distribution panels. They focus on innovative and locally adapted manufacturing strategies, aiming to expand across Africa while maintaining strict quality standards.
- 2. Maziv Engineering PLC**
Maziv provides comprehensive electrical and electromechanical solutions, including AC distribution box design, supply, and installation. They use high-quality imported components and advanced quality control processes, ensuring reliable and durable products for industrial and commercial applications.
- 3. Sigma Engineering PLC**
Sigma Engineering is a multidisciplinary electro-mechanical company in Ethiopia, offering engineering services and manufacturing solutions. While their focus spans multiple sectors, they provide electrical distribution solutions suitable for various projects.
- 4. Index Engineering PLC**
Index Engineering offers electromechanical contracting and equipment supply, including AC distribution systems. They provide design, installation, and maintenance services, ensuring optimal performance for industrial and commercial clients.

Additional Manufacturers and Suppliers

Other notable companies in Ethiopia include: POWERTECH ENGINEERING PLC, CEMECE ENGINEERING AND AGRO INDUSTRY TRADING PLC, 4R ENERGY PLC, A.A. ELECTRONICS PLC, ADDIS TRANSFORMER & SWITCHGEARS PLC. These companies are listed in local business directories and provide electrical equipment manufacturing and supply services.
