

FOB price CFP8DML

Overview

For products subject to a 25% Section 301 tariff instead of 8%, the landed cost would jump to \$7. When a Chinese supplier quotes you FOB Ningbo \$8. 50 per unit, most first-time importers assume that is what they will pay. It does not cover ocean freight. FOB (Free On Board), which is often called "FOB Shipping Point" or "FOB Port of Shipment," is one of the most used Incoterms in international trade. The seller is responsible for all costs and hazards until the items are put onto the ship at the port of shipment, according to FOB agreements. Our calculator helps you break down product costs, inland transportation, and origin port handling fees to ensure precise trade costing. Buyer controls carrier & route.
