

Fiber optic cable single Lebanon branch

AI Overview

Lebanon hosts several reputable fiber optic companies, including Fiber Works & Communications (FWC), OptiLink, and Legrand Lebanon, offering products and services for enterprise, ISP, and public network projects.

Key Providers

Fiber Works & Communications (FWC) S.A.R.L. specializes in high-speed and wide-area network solutions, supporting Lebanon's FTTX infrastructure projects. They provide European and American fiber optic products, system integration, and connectivity solutions for data and voice, working with OGERO, the Ministry of Telecommunications, and enterprise clients. Their team includes certified engineers and technicians capable of handling local public and enterprise projects.

OptiLink focuses on enterprise-grade fiber connectivity, supplying optical transceivers and cables compatible with Cisco, Huawei, MikroTik, and other major brands. They offer a full range of optical modules from 1G SFP to 400G QSFP-DD, with factory-tested, plug-and-play components for ISPs, data centers, and enterprises across Lebanon and the Middle East.

Legrand Lebanon provides fiber optic solutions including drawers, panels, and connectors, catering to IT networks and security systems.

Additional Companies

A variety of other cabling and fiber optics companies operate in Lebanon, offering turnkey network solutions, cloud support, and low-current system design. Notable locations include Beirut, Jounieh, Sidon, and Zgharta, covering services such as network installation, maintenance, and enterprise IT consultancy.
