

# Fiji Energy-Saving Cable Tray Procurement

## AI Overview

Energy Fiji Limited (EFL) invites suppliers to participate in tenders for cable trays and related accessories, with submissions managed through official eTender portals. Current Tender Opportunities EFL issued Tender MR 63/2024 for the supply of cable trays and cable termination accessories. This tender required sealed submissions and closed on 28th February 2024, with bids needing to be typed, inclusive of all taxes, and submitted electronically rather than in hard copy at the Suva office (EFL). While this specific tender has closed, EFL regularly publishes similar procurement opportunities for energy infrastructure, including energy-efficient cable trays. Supplier Requirements Suppliers must demonstrate experience in design, manufacture, testing, and supply of cable trays and indoor cable termination kits. Evidence of eligibility, origin of materials, and compliance with industrial property rights may be requested by EFL. Bidders who are not manufacturers must provide proof of sourcing from recognized manufacturers. The lowest bid is not automatically accepted; EFL evaluates bids based on compliance, quality, and overall value. Registration and Tender Access Suppliers interested in participating in EFL or government tenders should register on the Fiji Procurement Office (FPO) eTender portal. Registration is free and allows suppliers to: Receive email notifications of new tenders Access current and closed tender details Submit bids online for government and EFL procurement opportunities The FPO portal is the central platform for tenders valued at FJD 50,000 and above, including energy-related projects. Suppliers are encouraged to keep their profiles updated to ensure timely notifications. Additional Guidance For clarification or tender specifications, suppliers can contact EFL's Supply Chain Office via phone (3224360/9992400/9987085) or email (tenders@efl.com.fj) ....
