

High-quality Korean stainless steel cable tray manufacturer

AI Overview

South Korea has several reputable stainless steel cable tray manufacturers, including Seoyoung Industrial Co., Ltd., DAEHAN HI MESH Co., Ltd., and suppliers offering SS316-grade trays for industrial and commercial applications.

Key Manufacturers and Suppliers

Seoyoung Industrial Co., Ltd. Established in 2006, Seoyoung Industrial specializes in cable trays and related products. They are recognized for their technological expertise and high-quality manufacturing, serving domestic and international clients with durable stainless steel cable trays suitable for industrial and commercial use.

DAEHAN HI MESH Co., Ltd. Founded in 1978, DAEHAN HI MESH produces high-quality shipbuilding and industrial equipment, including stainless steel cable trays, access hatches, and electric cable boxes. Their products are known for rigorous quality control and have been used in major projects like DAEWOO Shipbuilding.

SS316 Stainless Steel Cable Trays For environments requiring superior corrosion resistance, such as coastal areas, chemical plants, or high-humidity industrial settings, SS316 stainless steel trays are ideal. These trays offer high tensile strength (500–700 MPa), excellent resistance to rust and pitting, and are available in various configurations including ladder, perforated, basket, and U-channel designs.

SILTEC Although based internationally, SILTEC supplies stainless steel cable trays suitable for industrial, office, and food industry applications. Their trays are designed to meet stringent hygiene and durability standards, making them a reliable option for specialized installations.

Benefits of Korean Stainless Steel Cable Trays

Corrosion Resistance: Especially with SS316, trays withstand harsh chemical and marine environments.

Durability: High tensile strength ensures long-term support for heavy cable bundles.

Versatility: Available in multiple designs (ladder, perforated, basket,...
