

Irish ladder cable tray manufacturer direct supply

AI Overview

Ireland has several reputable ladder cable tray manufacturers and suppliers, including Brilltech Engineers, Core Distribution, and Niedax CMS, offering durable, customizable, and corrosion-resistant cable management solutions.

Key Manufacturers and Suppliers

Brilltech Engineers is a leading ladder cable tray manufacturer in Ireland, providing steel and PVC trays designed for electrical, control, data, and fiber optic cables. Their trays feature corrosion-resistant coatings, rounded edges for safety, pre-punched holes for easy installation, and customizable sizes to suit specific project requirements. They also offer solutions that protect cables from physical damage and allow future expansion.

Core Distribution supplies a wide range of cable management systems, including steel trunking, basket, and ladder trays suitable for industrial, commercial, and office applications. They focus on strong, stylish, and easy-to-install solutions, with options for single or multi-compartment trays and suspension systems for versatile installations.

Niedax CMS Ireland, part of the global Niedax Group, offers over 45,000 products including ladder cable trays, mini trays, and widespan systems. Their RLVC ladder trays are ideal for heavy-duty power cables, providing full free-air rating, higher current flow, and reduced overheating. Niedax trays are highly adaptable, with customizable dimensions, various finishes, and accessories for easy onsite installation.

Features and Applications

Durable Construction: Steel or PVC with corrosion-resistant coatings for long-term reliability.

Customizable Design: Adjustable sizes, fittings, and accessories to meet project-specific needs.

Safety and Maintenance: Rounded edges, organized cable separation, and easy identification for maintenance.

Versatile Applications: Suitable for industrial plants, offices, data centers, power stations, and universities....
