

Kuwait Custom Cable Tray Manufacturer

AI Overview

Top cable tray manufacturers in Kuwait include Alnafaa Group, Bahman Group, EBOMAC, Almeer Industries, and Brilltech Engineers, offering FRP/GRP, GI, PVC, and metal cable trays with extensive fittings and customization options. Leading Manufacturers Alnafaa Group specializes in FRP/GRP cable trays, manufactured from glass-armoured thermoset fire-resistant resins. Their products are lightweight, corrosion-resistant, and suitable for chemical and weather exposure. They offer a wide range of fittings, covers, and support systems, including ladders, handrails, and walkways, tailored for both small and large projects in Kuwait. Bahman Group operates one of the largest cable tray manufacturing facilities in Kuwait, producing GI cable trays, ladders, and trunking. Their products are widely used in government projects, hospitals, and universities. The company emphasizes cost-effective, high-quality solutions for local and GCC markets. EBOMAC provides medium and low voltage switchgear along with cable trays, ensuring compliance with international standards. They focus on performance, safety, and technical excellence, offering design, manufacturing, and installation services for industrial and commercial applications. Almeer Industries is known for designing and manufacturing high-quality cable trays for commercial and industrial construction. They emphasize flexibility for future wiring changes and continuous investment in technology to maintain product quality. Brilltech Engineers Pvt. Ltd offers a wide range of electrical cable trays, including ladder, PVC, mild steel, perforated, and stainless steel trays. They provide customized solutions, in-house manufacturing, and quality assurance to meet residential, commercial, and industrial requirements. Key Considerations Material Options: FRP/GRP, GI, PVC, mild steel, stainless steel Customization: Special sizes, shapes, transitions, and fittings Compliance: Adherence to international standards like NEMA FG-1, IS 6746, and UL 94 Project Ex...
