

List of Israeli electrical distribution box manufacturers

AI Overview

Israel hosts several specialized manufacturers of electrical distribution boxes and panels, including TOP ELECTRIC, Transpro, Electro Distribution, and E-Abel, serving industrial, commercial, and residential sectors. Key Manufacturers TOP ELECTRIC specializes in producing and installing high-quality electrical panels for industrial, commercial, and private sectors. Their products comply with ISO9001 standards and are used in factories, hospitals, offices, smart homes, and HVAC systems. They provide end-to-end services from planning and production to installation, ensuring integration with control systems and smart devices. Transpro manufactures panel distribution cabinets and electric switchgear components tailored to customer specifications. Their products serve medical, industrial, and military sectors, and their manufacturing adheres to ISO 9001, IPC610, and IPC620 standards. Transpro emphasizes custom designs, quality control, and timely project delivery. Electro Distribution offers a wide range of electrical distribution solutions, including MV switchgear, MV power transformers, and low-voltage distribution systems. They manufacture electrical panels compliant with IEC61439 standards and provide engineering services for industrial and residential applications. E-Abel provides durable distribution boxes, enclosures, and cabinets in stainless steel, aluminum, and galvanized steel. Their solutions are designed for industrial and electrical applications, emphasizing flexibility, practicality, and innovation. Applications and Sectors Israeli manufacturers supply distribution boxes for: Industrial parks and manufacturing facilities requiring robust low-voltage distribution systems and MV switchgear. Renewable energy projects, including solar farms and microgrids, needing specialized metering and distribution boxes for PV integration. Commercial...
