

Manufacturer of optical cables for security and smart buildings

Overview

A decade of British engineering, manufacturing high-performance cables for industrial, broadcast, telecom, security and smart-building systems — trusted by enterprises in 40+ countries. Every cable your project needs. Zhaolong Interconnect offers a full range of indoor optical cables covering OS2 single-mode and OM3/OM4/OM5 multi-mode, fully supporting high-speed applications from 10G up to 400G/800G. We provide mature, rigorously tested products aligned with international standards, delivering stable, reliable. Beyond simple power delivery, modern Building Automation Systems (BAS) require a nervous system of cables that ensure uninterrupted data flow for IoT sensors, control commands, and real-time monitoring. Our dedicated smart building cable portfolio is engineered to provide this foundational. BIG NEWS: Belcab is re-opening our cable manufacturing plant in the UAE — 36,000km/yr production capacity | Fully compliant with British & MENA Standards | ELV, Low-Voltage, Fibre Optics, Control & Instrumentation Cables | OEM/ODM & FAT Services | Competitive local pricing | Shorter lead times |. We provide a complete range of Indoor Optical Cable, Outdoor Optical Cable, and Fiber Optic Patch Cord to cover all installation scenarios. Standardized products guarantee fast deployment, while customized options support specific industry requirements such as backbone networks, data transmission. We design, manufacture and market networking, connectivity, cable products and solutions for industrial automation, smart buildings and broadcast markets. From Fiber Optic to Copper Cables, from the most innovative products to the smartest solutions, from industries such as Broadcast or Enterprise to Industrial or Data Center, OCC has the connections you need. Over 30 years ago, OCC became a pioneer in the design and production of fiber optic cable.
