

# Middle East Optical Sensing Cable Manufacturer

## AI Overview

Key manufacturers of fiber optic and specialized cables in the Middle East include MESC, MEFC, Naficon, HELUKABEL, Norden, GEC, DME Prolink, and Super Technologies. Leading Manufacturers

1. Middle East Specialized Cables Co. (MESC) Founded in Riyadh, Saudi Arabia in 1993, MESC is a prominent manufacturer of industrial, instrumentation, and process control cables, including specialized optical and sensing cables. Their products comply with UL, IEC, and BS standards and are certified under ISO 9001:2000 and ISO 14001:2004. MESC serves sectors such as oil & gas, petrochemical, industrial, railway, automotive, military, and renewable energy, with production facilities in Saudi Arabia and the UAE .
2. Middle East Fiber Cable Manufacturing Co. (MEFC) MEFC, a Saudi-Japanese partnership based in Riyadh, specializes in fiber optic cables and related accessories. Established in 1995, MEFC provides turnkey solutions for telecom, electric power, oil & gas, and industrial sectors. Their advanced manufacturing processes ensure high-quality optical cables suitable for current sensing and industrial applications .
3. Naficon Fiber Optic Manufacturing LLC Located in Dubai, UAE, Naficon is part of the Finnish parent company Liitin Oy and has over 30 years of fiber optic expertise. They manufacture a wide range of fiber optic products for telecom, data centers, and utility sectors, with ISO 9001 certification and a strong regional supply network .
4. HELUKABEL Based in the UAE, HELUKABEL offers over 33,000 cable products, including fiber optic cables for industrial and data applications. They maintain ISO 9001 certification and test all cables according to international standards, ensuring reliability for current sensing and instrumentation uses .
5. Norden Founded in 1998 in Dubai, Norden manufactures fiber optic and network cables, along with cabinets and accessories....
