

New Zealand Molded Cable Tray Manufacturer

AI Overview

FDG, Tilley & Patton Ltd, Steel & Tube, USL Multistrut, and Mechanical Support Systems are key suppliers of cable trays in New Zealand, offering versatile solutions for commercial, industrial, and infrastructure projects. Key Manufacturers and Suppliers

FDG Cable Tray provides a full range of cable support products including cable trays, ladders, and baskets. Their systems are modular, easy to install, and available in pre-galvanized or hot-dip galvanized finishes. FDG also offers custom painting and powder coating to meet architectural requirements, with adjustable and configurable options for various project sizes . Tilley & Patton Ltd specializes in sheet metal products and components, offering design and manufacturing services throughout New Zealand. They provide tailored solutions for electrical cable trays and related containment systems . Steel & Tube supplies the EzyTray range of cable trays and ladders, suitable for all cable containment needs. They provide full project support from plan take-offs to quotations and offer BIM-enabled 2D and 3D CAD design resources for integration into building projects . USL Multistrut manufactures and supplies electrical and mechanical support systems, including cable trays, pipework, and seismic bracing. Their products are designed for New Zealand conditions, with flexible design options and compliance with local standards. They also provide pre-fixed joiners to reduce installation time . Mechanical Support Systems offers light to medium duty cable trays, including EMT and Kiwitray systems, with multiple depth options and finishes suitable for indoor and outdoor use. Their products are ideal for offices, healthcare, education, and social infrastructure projects .

Considerations for Selection

Material and Finish: Pre-galvanized, hot-dip galvanized, or powder-coated options for corrosion resistance.

Project Type: Light, medium, or h...
