

Palestine manufactures stainless steel cable trays

AI Overview

Brilltech Engineers and Jeetmull Jaichandlall are among the leading stainless steel cable tray manufacturers in Palestine, offering high-quality, customizable solutions for industrial, commercial, and residential projects.

Key Manufacturers and Suppliers

- Brilltech Engineers Pvt. Ltd.** Brilltech Engineers is a prominent cable tray manufacturer and supplier in Palestine, providing a wide range of products including stainless steel cable trays, perforated trays, ladder trays, PVC trays, and raceways. Their trays are designed for durability, safety, and efficient cable management, protecting cables from physical damage, dust, and environmental hazards. They offer customized solutions tailored to residential, commercial, and industrial needs, with professional support for product selection, system design, and installation.
- Jeetmull Jaichandlall (P) Ltd.** This company is recognized as one of the top cable tray manufacturers in Palestine, specializing in stainless steel and wire mesh cable trays. They provide products in various sizes, shapes, and finishes, ensuring compliance with industry standards. Their in-house manufacturing facility uses modern equipment and technology to deliver high-quality, durable trays suitable for heavy loads and long-term use.
- Bahra Electric** While primarily a supplier, Bahra Electric offers a variety of metal and non-metallic cable trays, including stainless steel options, suitable for commercial, industrial, and institutional applications. Their trays emphasize safety, organization, accessibility, and adaptability, making them a versatile choice for complex electrical installations.
- Anaco Trading** Anaco specializes in stainless steel cable trays sourced from European manufacturers, providing consultation and supply services for engineering and construction projects. They focus on high-quality welded wire mesh trays suitable for demanding industrial...
