

Panama Molded Cable Tray Procurement Price

AI Overview

Molded and galvanized cable trays in Panama are available from \$0.80 to over \$76 per unit depending on type, material, and order volume. Overview of Cable Tray Types and Pricing In Panama, suppliers like Jeetmull Jaichandlall and Brilltech Engineers offer a variety of cable trays including molded, galvanized, ladder, perforated, and solid-bottom trays. Prices vary based on material, size, and application: Ladder Cable Trays: Ideal for heavy-duty industrial installations; made from galvanized steel or aluminum. Prices typically range from \$15 to \$76 per unit for B2B bulk orders. Perforated Cable Trays: Provide moderate airflow and protection; suitable for commercial buildings and HVAC systems. Prices generally fall between \$15 and \$34 per unit for smaller B2C purchases. Solid-Bottom Cable Trays: Fully enclosed for maximum protection against dust, water, and debris; used in chemical plants or outdoor installations. Pricing is higher due to material and manufacturing complexity, often \$30 to \$70 per unit. Molded Galvanized Trays: Customizable for size and dimensions, corrosion-resistant, and widely used in electrical, automotive, and construction industries. Bulk pricing can start as low as \$0.80 per unit for large orders. Factors Affecting Price Material: Galvanized steel, stainless steel, aluminum, and fiberglass have different costs and durability levels. Tray Size and Length: Longer or wider trays increase material usage and cost. Customization: Tailored dimensions, perforation patterns, or special coatings can raise prices. Order Volume: Bulk B2B orders reduce per-unit cost, while small B2C purchases are higher per unit. Supplier and Brand: Established suppliers with quality certifications may charge a premium for reliability and compliance with industry standards. Supplier Options in Panama Jeetmull Jaichandlall (P) Ltd.: Offers high-quality cable trays in various sizes,...
