

Price List of Alloy Cable Trays in the UAE

AI Overview

Alloy cable trays in the UAE are available from multiple suppliers, with prices varying based on material, type, size, and load capacity; direct quotes are typically obtained from suppliers.

Overview of Alloy Cable Trays

Alloy cable trays, commonly made from aluminum or other corrosion-resistant metals, are widely used in commercial, industrial, and infrastructure projects in the UAE. They provide durable, lightweight, and corrosion-resistant support for electrical and data cables. Common types include:

- Ladder Type Trays:** Ideal for heavy-duty cable runs, offering excellent ventilation and easy cable access.
- Perforated (Ventilated) Trays:** Lightweight, with holes for airflow, suitable for small-diameter cables.
- Solid Bottom Trays:** Fully enclosed, providing maximum protection for sensitive cables.
- Wire Mesh (Basket) Trays:** Flexible and lightweight, often used for telecommunication or data cables.
- Channel and Through Trays:** Smaller or partially enclosed trays for light-duty applications.

Factors Affecting Price

The cost of alloy cable trays depends on several factors:

- Material:** Aluminum trays are generally lighter and corrosion-resistant, often priced higher than standard galvanized steel but lower than stainless steel.
- Tray Type:** Ladder trays for heavy-duty applications are more expensive than perforated or wire mesh trays.
- Size and Load Capacity:** Wider trays or those designed for higher load-bearing capacity cost more.
- Finish and Accessories:** Powder-coated or anodized finishes, along with bends, junctions, and covers, add to the total cost.
- Supplier and Volume:** Bulk orders or long-term contracts may reduce unit prices.

Leading Suppliers in the UAE

- Bonn Metals Construction Industries LLC:** Offers aluminum, stainless steel, and galvanized trays in various sizes and types, including ladder and perforated trays. Contact: +971-54-406-0088.
- Al Ruwais Metal and Steel Factory LLC:** Supplies industrial steel and aluminum trays, including solid bottom and ventilated trough trays. Contact: +971-56-526-4265.
- Abdulla Najim Electrical Appliances Co SP LLC:** P...
