

Price list for Middle Eastern mesh cable trays

AI Overview

Mesh cable tray prices in the Middle East vary by material, size, and supplier, with most UAE manufacturers offering customizable solutions for industrial and IT applications.

Key Suppliers in the Middle East

- West Port Middle East (UAE):** Specializes in wire mesh cable trays and basket trays suitable for light to medium-duty cable routing. Their trays are made from welded steel wires, offering 360-degree ventilation, lightweight design, and tool-free adjustability. Standard sections are 3 meters with optional bends (30°, 45°, 90°), and reinforced trays are available for heavier loads. Accessories for safe mounting and load distribution are also offered.
- Unitech (MENA region):** Provides a wide range of cable management systems, including mesh cable trays, with a strong presence across the Middle East and North Africa. They offer customized solutions for industrial, commercial, and construction projects, though pricing is typically project-specific.
- Power Solution Industries (UAE, KSA, Middle East):** Offers cable containment systems, raceways, and mesh trays for commercial and industrial applications. They focus on high-quality, scalable solutions suitable for IT and electrical infrastructure.
- Other UAE Suppliers:** Yellow Pages UAE lists multiple dealers providing insulated wire mesh, aluminum, steel, plastic, and fiberglass cable trays for ceilings and floors, allowing comparison of product types and potential pricing.

Factors Affecting Price

- Material:** Steel, stainless steel, aluminum, or coated finishes influence cost. Stainless steel and powder-coated trays are more expensive due to durability and corrosion resistance.
- Tray Size and Load Capacity:** Wider or reinforced trays for heavy-duty applications cost more.
- Customization:** Bends, junctions, and accessories increase overall price.
- Quantity and Supplier Location:** Bulk orders and local suppliers in UAE or KSA may offer better pricing than...
