

Price of Fiber Optic Cable Junction Box Cover

AI Overview

Fiber optic junction box covers typically range from \$10 to \$50 for standard indoor models, with larger or waterproof outdoor versions costing \$50 to \$150 or more. Price Overview Amazon offers fiber optic wall mount boxes with LC couplers for single-mode and multimode cables, generally priced around \$15–\$40 depending on the number of ports and strands .eBay lists 12-core FTTH splitter boxes and similar fiber junction boxes, with prices ranging from \$12 to \$45 for standard indoor units .Alibaba provides wholesale options, including IP65-rated waterproof junction boxes made from ABS/PC materials, with prices starting around \$50 for small outdoor models and increasing for larger or higher-capacity boxes .CommScope and Black Box offer specialized wall-mount enclosures and fiber access terminals, with prices for covers and enclosures varying widely based on size, capacity, and features, typically \$50–\$150 for outdoor or high-density models .Factors Affecting PriceMaterial: ABS or PC plastic is common for indoor boxes, while outdoor boxes may use reinforced or UV-resistant materials.Waterproof Rating: IP65 or higher-rated boxes cost more due to weatherproofing.Capacity: Boxes supporting more fibers or cassettes are more expensive.Brand and Certification: Well-known brands like CommScope or Black Box may charge a premium for reliability and compliance with industry standards.RecommendationFor basic indoor use, a standard fiber optic junction box cover can be purchased for \$10–\$40. For outdoor or high-capacity applications, expect to pay \$50–\$150 or more. Always check the product specifications to ensure compatibility with your fiber type and installation environment.
