

Price of Galvanized Steel Cable Tray

AI Overview

The price of galvanized steel cable trays ranges from approximately ₹74 to ₹95 per meter in India, with global prices typically between \$2 and \$25 per meter depending on type, size, and supplier.

Pricing Overview

India Market: Suppliers on IndiaMART list galvanized steel cable trays starting at ₹74 per meter (Ajay Electric & Metal Industries), ₹80 per meter (Super Cable Tray Private Limited), and ₹95 per meter (JP Electrical And Controls) as of May 21, 2026, with bulk order support and delivery options available.

Global Market: Average prices per meter range from \$2 to \$25, influenced by material type, tray design (ladder, perforated, solid), surface finish (hot-dip galvanized, pre-galvanized, powder-coated), and order quantity. Bulk orders or importing from China can reduce costs by 20-50%.

Factors Affecting Price

Material and Coating: Galvanized steel is the most common and cost-effective, while stainless steel and aluminum are more expensive due to corrosion resistance and lightweight properties.

Tray Type: Ladder trays are pricier but support heavier cables; perforated or solid trays vary in cost based on ventilation and load requirements.

Dimensions: Wider or thicker trays increase material costs, while longer spans may require additional support hardware.

Order Quantity: Large-scale purchases often receive discounts of 20-40%, significantly lowering per-meter costs.

Location and Installation: Shipping, labor, and site conditions can add to the total cost, especially for elevated or hard-to-access installations.

Buying Tips

For industrial or outdoor applications, choose hot-dip galvanized trays for maximum corrosion resistance. Bulk orders from verified suppliers, especially from China or India, can reduce costs while ensuring quality. Always confirm load capacity, dimensions, and finish to match project requirements.

In summary, galvanized steel cable tray prices vary widely based on region, supplier, and specifications, with Indian suppliers offering rates from ₹74-95 per meter and international prices ranging from \$2-25 per meter, making bulk purc...
