

Price of Italian Ladder Cable Trays

AI Overview

Italian ladder cable trays, including hot-dip galvanized and stainless steel options, typically range from around \$1 per unit for bulk orders, with prices varying by material, length, and customization.

Standard Pricing Hot-dip galvanized ladder trays: Standard lengths are usually 2.4 meters, with prices starting at approximately \$1 per unit for bulk orders (MOQ 100 units) when purchased wholesale. Stainless steel trays (AISI 304): Prices are higher due to material quality and corrosion resistance, often requiring a custom quote from suppliers.

Fittings and accessories: Items such as bends, tees, and splice plates are priced per piece, depending on size and type.

Italian Manufacturers and Options FEMICZ offers a wide range of ladder trays in welded, clinched, or bolted versions, with hot-dip galvanized or stainless steel finishes. Their HP 2.22 series is available from stock and ready for delivery.

Customization: Italian suppliers can provide custom lengths, rung spacing, and load capacities to meet specific project requirements. Accessories for cable fixing, such as U-bolts or band clamps, are also available.

Certifications: Products comply with IEC 61537, NEMA VE 1, and carry CE and IMQ markings, with optional fire resistance or seismic certifications.

Purchasing Considerations Bulk orders: Prices decrease significantly for large quantities; minimum order quantities (MOQ) often start at 100 units. Delivery and packaging: Italian suppliers optimize packaging for transport, using straps, pallets, or crates depending on the size and fragility of the trays.

Custom quotes: For precise pricing, especially for stainless steel or specialized configurations, contacting the supplier directly is recommended. Many companies provide tailored quotes based on project specifications.

In summary, Italian ladder cable trays are competitively priced for bulk galvanized units, while stainless steel and custom options require direct supplier consultation. Standard lengths are 2.4 meters, and accessories are priced individually, with certifications ensuring complia...
