

Price of Mali Color Steel Molded Cable Tray

AI Overview

The price of steel molded cable trays in Mali typically ranges from \$2 to \$25 per meter, depending on material, type, coating, and supplier, with bulk orders potentially reducing costs. Pricing Overview Steel molded cable trays, including mild steel options, are widely used for industrial and commercial cable management due to their durability and strength. The price per meter can vary significantly based on:

- Material:** Galvanized steel is common and cost-effective, while powder-coated or stainless steel options are more expensive.
- Tray Type:** Ladder trays are generally pricier than wire mesh or perforated trays due to higher material usage and load capacity.
- Surface Finish:** Powder coating or HDG (hot-dip galvanizing) increases corrosion resistance and cost.
- Dimensions:** Wider or thicker trays require more material, raising the price.
- Order Quantity:** Bulk purchases can reduce costs by 20-40%.

Local Suppliers in Mali Brilltech Engineers Pvt. Ltd. is a notable supplier of mild steel cable trays in Mali, offering both standard and customized options to meet industrial requirements. They provide a range of products suitable for various applications, and contacting them directly can yield exact pricing for your project. Additionally, online platforms like Desertcart Mali offer wire mesh and galvanized steel cable trays, such as the Kable Kontrol 5-foot tray, which can be shipped to cities like Bamako, Sikasso, and Segou. Prices on these platforms include taxes and shipping, but availability may vary.

Cost-Saving Tips Consider bulk orders to reduce per-meter cost. Choose wire mesh or perforated trays if heavy-duty support is not required, as they are cheaper than ladder trays. Compare local suppliers versus international shipping to balance cost and delivery time. For precise pricing of Mali Color Steel Molded Cable Tray, it is recommended to contact local suppliers like Brill...
