

Quotation from manufacturers of power distribution boxes for smart buildings in Qatar

AI Overview

Several suppliers in Qatar provide power distribution boxes suitable for smart building applications, including Acontec WLL, Cigale Power, MSE Qatar, Procom Middle East, and Alsiraj Qatar. Key Suppliers and Offerings

1. Acontec WLL Acontec supplies a wide range of electrical products including medium voltage panels, motor control panels, feeder pillars, sub-main and final distribution boards, as well as cable management systems and busbar ducting. Their sales team can provide tailored quotations for smart building projects, ensuring compliance with local construction requirements in Qatar.
2. Cigale Power Cigale Power offers distribution boxes, ATS panels, synchronization panels, MCCB panels, rated power cables, and powerlock connectors. They cater to both temporary and permanent installations, providing technical support for safe and efficient power distribution. They can supply single units or complete synchronized setups, making them suitable for smart building integration.
3. MSE Qatar MSE Qatar provides a comprehensive range of cable management systems, PVC/GI/EMT conduits, trunking, earthing and lightning protection, and energy metering solutions. Their offerings include smart meters and communication modules, which are essential for smart building electrical systems. They can provide quotations for fully integrated solutions.
4. Procom Middle East Procom Middle East specializes in power distribution boxes with a focus on quality, fast delivery, and competitive pricing. They offer standard and customizable solutions suitable for smart building applications.
5. Alsiraj Qatar Alsiraj Qatar supplies DELTA series wall-mounted distribution boxes suitable for indoor and outdoor use. These e...
