

# Thailand New Cable Tray Company

## AI Overview

Key cable tray companies in Thailand include Niedax Thailand, United Manufacturing Co., Ltd., and TST Metal Work Co., Ltd., offering a wide range of cable management solutions for industrial, commercial, and infrastructure projects. Niedax Thailand is a subsidiary of Niedax GmbH with over 100 years of experience in cable management systems. They provide complete system solutions in steel, stainless steel, fiberglass reinforced polyester (GRP), and PVC, including ladder trays, mesh grid trays, equipment conduits, and pluggable metal conduits. Their products are designed for mechanical and electromagnetic compatibility (EMC) protection, suitable for light to heavy-duty applications. Niedax also offers custom solutions for wall fixing, suspensions, racks, under-floor systems, and ceiling installations, with a focus on high-quality materials and innovative designs. United Manufacturing Co., Ltd. specializes in Wireway and electrical trucking systems. Their production process includes CNC machinery, shearing, bending, welding, and powder coating, all ISO 9001:2015 certified. They focus on precision-engineered cable trays and wireways, ensuring high-quality standards for industrial and commercial installations. TST Metal Work Co., Ltd. has been active in the cable tray industry since 1992, providing metallic cable tray systems for various projects worldwide. They emphasize flexibility and efficiency in serving customer needs and offer a range of trunking and cable management solutions. Their experience spans over 16 years, and they continue to innovate and expand their product offerings to meet modern project requirements. Additional Resources For a broader list of cable tray manufacturers and suppliers in Thailand, platforms like Trademo provide detailed information on shipment activities, trade volumes, and supplier contacts, which can help identify new business opportunities and compare companies. These companies collectively cover a wide spectrum of c...
