

Wall-mounted fiber optic cable accessories

Overview

Wall mount fiber optic cabinets, connector housings, and patch panel enclosures are designed to protect sensitive fiber connections from dust, damage, and unauthorized access. They provide secure, organized solutions to terminate, splice, and manage cables in a compact. CommScope offers a complete line of easy-to-use access terminals, copper and fiber splice closures, patch closures and accessories to speed deployment. A wall-mounted optical fiber patch panel is a compact, organized solution for managing and distributing fiber optic connections. We offer NEMA rated enclosures for top-of-the-line quality and durability on indoor and outdoor fiber patch panels. Easy installation, versatile sizes, and superior cable management.
