

# What are some manufacturers of mobile optical cables in Egypt

## AI Overview

Egypt hosts several reputable manufacturers of fiber optic and mobile optical cables, including Fibertech Misr, Fiblit Fiber Optic, HitekNOFAL Optix, and Maven Cables. Key Manufacturers Fibertech Misr specializes in a wide range of fiber optic cables, including outdoor, indoor, aerial, direct burial, OPGW, and ADSS cables. They also supply patch cords, pigtails, connectors, and closures, and have experience serving major clients like Telecom Egypt, the Egyptian Air Force, and El Nasr Petroleum . Fiblit Fiber Optic offers comprehensive fiber optic solutions, including cables, patch cords, pigtails, adaptors, connectors, and media converters. They provide installation, network design, and professional training in FTTH, GPON, SDH, and DWDM systems, serving clients across Egypt and Arab countries . HitekNOFAL Optix, located in Badr City, Cairo, operates a fully automated plant producing high-performance fiber optic cables for telecommunications, data centers, and industrial applications. They emphasize quality assurance, R&D, and custom solutions tailored to client needs . Maven Cables manufactures electric and fiber optic cables for construction and networking projects, catering to local market demands . Other notable companies include Fiber Com, FiberME Communications, Bridge Technologies, Axxcelera, and NextGen Communications, which provide fiber optic products, networking solutions, and project implementation services . Summary These manufacturers in Egypt offer a broad spectrum of fiber optic and mobile optical cable solutions, from standard indoor/outdoor cables to advanced telecommunications systems. Many also provide installation, training, and project management services, making them suitable partners for both commercial and industrial networking projects.
