

Where are Huijue lithium battery energy storage cabinet manufacturers located

Overview

Huijue Group headquarters is located in Shanghai free trade zone lingang new area, has six wholly owned subsidiary, in Jiangsu Haian and Shanghai Fengpu production base and research and development center, the total area of 100000 square meters, more than one thousand employees. Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application. Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and. Huijue Group was founded in 2002, is leading Energy Storage Battery Manufacturer in China, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage. Huijue, a leading BESS manufacturer, offers top-performing lithium battery-powered storage solutions. Ideal for grids, commercial, and industrial applications, our systems seamlessly integrate and optimize renewable energy sources. It integrates power supply, power distribution, backup power, protection, and monitoring into one unit, providing. Huijue's lithium battery-powered storage offers top performance. High-density, long-life, & smartly managed, they boost grid stability, energy efficiency, & reduce fossil fuel reliance.
